

Ref. Relatório Avaliação aberta

Apresentamos os resultados da avaliação aberta no remoergômetro para as distâncias de 2 e 6 quilômetros. Nesta edição, a categoria Sub-19 realizou o teste de 6 km com uma cadência controlada de 20 remadas por minuto, enquanto as demais categorias executaram a prova com sua máxima capacidade.

Ao final deste relatório, incluímos uma tabela comparativa dos tempos de 2 km em nível sul-americano, permitindo uma análise do desempenho em relação a outros atletas da região. Confira os resultados e parabéns a todos os participantes pelo esforço e dedicação!
